The Roger Mikulas Young Artists Showcase Fact Sheet

The Tucson Kitchen Musicians Association (TKMA) invites all musicians, who will be **18 years of age** or younger at the time of the 35th Annual Tucson Folk Festival, to apply to perform a scheduled set of 5 to 25 minutes for the **Roger Mikulas Young Artists Showcase** at this year's Festival. TKMA has offered this opportunity to young musicians each year since 2007.

The Young Artists Showcase will take place on **Saturday, April 4th and Sunday, April 5th, 2020**. (*Schedule to be determined upon response.*)

The Two Things Everybody Needs To Know (please read this carefully)

- This is an application to be a **volunteer** performer.
- The Tucson Folk Festival is an acoustic event. We use a very broad definition of "Folk" music. We seek to include performers who bring variety and creativity to the Festival. In addition to traditional folk music, we welcome Americana, Blues, indie, bluegrass/newgrass, mariachi, tejano, yaqui, waila and other ethnic, world and innovative acoustic music forms. Electric bass is OK, and we even provide a bass amp at each stage. Electronic pianos are OK (played as a straight piano, without special effects), as are pedal steel guitars and small harmonica amps. Percussion of all kinds is welcome and small drum kits are fine (large kits are allowed but discouraged because of stage space and limited set-up time). Drum machines and backing tracks of any kind are **not** allowed. Pedal setups for guitar players are **strongly** discouraged.

General Festival Information

- The **35th Annual Tucson Folk Festival** will take place on **Friday, April 3rd, Saturday, April 4th & Sunday, April 5th, 2020.**
- The center of Festival activity, including the Plaza Stage, Festival Kitchen Store and Vendors area, will be held in Jacome Plaza and surrounding area of the Joel D. Valquez Main Library in Downtown Tucson: <https://www.downtowntucson.org/locations/jacome-plaza/>. Additional stages are located within walking distance.
- Sets are 5 to 25 minutes long. Please note if you bring a lot of instruments, the set-up time will cut into your time with the audience.
- We provide a complete sound system with plenty of DI's for your instruments that have pickups and mics for those that don't, and of course mics for your vocals. We also provide a bass amp at each stage so you don't have to haul one around. If you need music stands, those are up to you.

Roger Mikulas Young Artists Showcase

- The Young Artists Showcase is for performers who will be **18 years of age or younger** at the time of the Festival (**Saturday, April 6 – Sunday, April 7**).
- The Young Artists Showcase is a block of time set aside for young performers at the **Wildflower Stage** at the Joel D. Valquez Main Library on Jacome Plaza.
- Adults are not allowed to perform with the Young Artists, except as back-up. (Groups with adults are encouraged to apply as regular performers at the Tucson Folk Festival.)

Tips for Demo Submissions

- Don't include more than 3 pieces. If you mail a CD with more than 3 tracks, indicate clearly (preferably by writing on the CD itself) which ones you want us to use.
- **Please delete all talking from your submissions**, as the selection committee uses blind listening, so breaking this rule interferes with the integrity of the process.
- Select pieces that show off your strengths.
- It is recommended to not include songs that take a long time to get rolling.
- Electric and/or over-produced CDs are not recommended as the selection committee would like to hear your group as it will sound at the festival.

Other

- Performers may sell their CDs on consignment through the Festival Kitchen Store with TKMA keeping \$2 of total sales as commission. CDs are typically priced at \$15, but you can price yours as you wish. TKMA commission on download cards is \$1 per \$5 card and \$2 per \$10 or higher card.
